

ISPYB MEETING

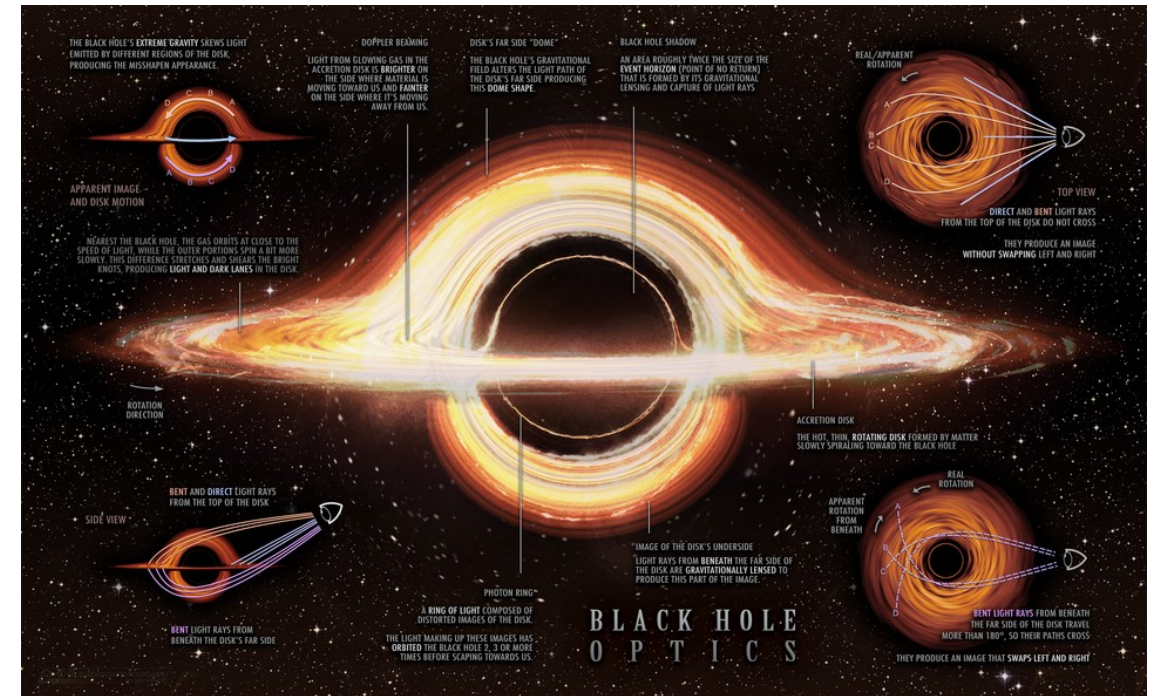

MAXIV Status Report

Alberto Nardella

Alberto.Nardella@maxiv.lu.se

DUO Black hole

- DUO keep alive project
 - Alberto working 95% on it until end of October 2025
 - No time for collaboration meetings with SOLEIL
 - No time to develop any new features (officially)
- New internship helped me to escape
 - Reyan Doski

Small improvements

- Pagination layout
- Responsive layout
- Unused features removed/hidden
 - Empty sessions filter
 - Shipment statistics
 - Print label modal
- Better labels

Ongoing developments

- SSX results panel
- SSX processing pipeline endpoints
- SSX data collection endpoints

Next steps

- Proteins management
- MX processing pipelines support
- MX results panels improvements
 - Samples info tab
 - Best pipeline results panel
 - Autoprocessing results tab

Thank you
